Dear Jonathon Hall:

Enclosed are drinking water certificate #10470 and its corresponding annual certified parameter list (ACPL) effective July 1, 2019. All pages of the ACPL must be displayed with the certificate. Please review your annual certified parameter list for errors and omissions. If errors or omissions are noted, contact this office immediately so that the necessary corrections can be addressed.

Your Virginia laboratory identification number, 00156, is to be used for reporting compliance data to the Virginia Department of Health, Office of Drinking Water (VDH ODW). A contract laboratory shall report compliance sample results to VDH ODW within 3 days of completion date of sample analysis. Information on reporting analysis results may be obtained from any VDH ODW Field Office or at <http://www.vdh.virginia.gov/drinking-water/>.

Please notify us within 30 days of changes in personnel, equipment or laboratory location. We reserve the option to conduct on site evaluations at any time and/or submit performance evaluation samples to laboratories under the Safe Drinking Water Program.

If you have any questions, please contact a Drinking Water Laboratory Certification Officer at 804 648 4480 ext. 301.

Sincerely yours,

A handwritten signature in black ink, appearing to read "Cathy Westerman".
