

HP Environmental Inc. (5001750)
104 Elden St., Suite 11
Herndon, VA 20170
Ph: (703) 471-4200

November 22, 2017
ATTN: Jonathon Hall

Samples were scored according to the expected targets and previous reference laboratory performance. Please refer to 2017-Legionella2 Event Notes (Shipment Date: September 25, 2017) provided by WSLH. Please direct comments or questions regarding the Legiolert Module to Claressa Lucas at ELITE@cdc.gov.

Table with 7 columns: Sample, Reported Method, Analyte, Result, Acceptable Response(s), Status, Comments. Rows include samples LEG-7 through LEG-12 with details on bacterial enzyme detection and colony counts.

Sincerely,

Claressa Lucas (handwritten signature)
